At the Federation of St Paul's and St John's CofE Primary School, action taken to promote the welfare of children and protect them from harm is everyone's responsibility. 'Everyone who comes into contact with children and families has a role to play. In order to fulfil this responsibility effectively, all professionals should make sure their approach is child centred. This means that they should consider, at all times, what is in the best interests of the child.' *Keeping Children safe in Education, September 2026.*

The Federation of St Paul's and St John's CofE Primary School is a vibrant school that serves a diverse population including all religions, faiths, cultures, family models and backgrounds. Staff working in our school cannot make assumptions based on their own experience of life to date. They must maintain an open mind whilst being vigilant to what is in the best interests of the child and they must maintain an attitude of 'it could happen here' where safeguarding is concerned.

At the Federation of St Paul's and St John's CofE Primary School, we recognise that no single professional can have a full picture of a child's needs and circumstances. If children and families are to receive the right help at the right time, everyone who comes into contact with them has a role to play in identifying concerns, sharing information and taking prompt action.

This policy has been developed to ensure that all adults in the Federation of St Paul's and St John's CofE Primary School are working together to safeguard and promote the welfare of pupils. It describes the management systems and arrangements in place to create and maintain a safe learning environment for all Federation of St Paul's and St John's CofE

Federation of St John's and St Paul's Whitechapel CE Primary Schools

CHILD PROTECTION & SAFEGUARDING POLICY

Primary School pupils and staff. It identifies actions that should be taken to address any concerns about pupil welfare.

The Designated Safeguard Lead or, in their absence, the member of staff deputising for them, has the ultimate responsibility for safeguarding and promoting the welfare of pupils.

Safeguarding and promoting the welfare of pupils goes beyond implementing basic child protection procedures. It is an integral part of all the activities and functions of the Federation of St Paul's and St John's CofE Primary School.

The Federation of St Paul's and St John's Primary's safeguarding policies include child protection, staff conduct, safer recruitment, allegations against staff, complaints, pupil behaviour and online safety.

The Child Protection policy can be found on the website, in the shared area, a printed copy in the offices, under the staff drive 'Policies' and referred to in the handbook. The policy is reviewed annually. We are committed to safeguarding and promoting the welfare of children and expect all staff, volunteers, visitors and governors to share this commitment. We actively support the Government's Prevent Agenda to counter radicalism and extremism.

This policy has been written in accordance with Keeping Children Safe in Education 2026 and reflect local safeguarding arrangements including the Tower Hamlets Safeguarding Children Partnership Supplementary Guidance documents on Child Protection Procedures and the Management of Allegations and Concerns that do not meet the Harm Threshold

1. CORE SAFEGUARDING PRINCIPLES

- The welfare of the child is paramount and underpins all discussions, decision making, and actions taken at the school.
- All concerns disclosed and reported will be taken seriously.
- All children have the right to have a life free from harm, regardless of age, gender, ability, culture, race, language, religion or sexual identity, all have equal rights to protection. This includes children's lives in digital and online environments.
- The child's wishes and feelings will always be considered at the school when determining what action to take and what support to provide.
- All staff including supply staff, trainee teachers, contractors and volunteers have an equal responsibility to act immediately on any suspicion or disclosure that may suggest a child is at risk of harm or has been harmed.
- The Designated Safeguarding Lead will ensure that all pupils and staff involved in safeguarding and child protection issues will receive appropriate support.

Federation of St John's and St Paul's Whitechapel CE Primary Schools
CHILD PROTECTION & SAFEGUARDING POLICY

These 6 core principles are embedded within the school's safeguarding arrangements; its safeguarding policies, procedures and systems; and underpin the whole school approach to safeguarding at the Federation of St Paul's and St John's CofE Primary School.

2. PURPOSE OF POLICY

- To provide all staff with key information to enable them to identify safeguarding concerns and know what action to take in response.
- To ensure consistent good practice throughout the school.
- To demonstrate the school's commitment to safeguarding to the whole school community: pupils, parents/carers and other partners.

3. SAFEGUARDING LEGISLATION AND GUIDANCE

The following safeguarding legislation and government guidance have informed the content of this policy: [delete as appropriate]

- Section 175 of the Education Act 2002 (Local maintained schools only)
- Section 157 of the Education Act 2002 (Independent schools only, including academies and Free Schools)
- The Apprenticeships, Skills, Children and Learning Act 2009 (as amended)

1. PAN LONDON & TOWER HAMLETS SAFEGUARDING CHILDREN PARTNERSHIP GUIDANCE

The following Pan-London and Tower Hamlets Safeguarding Children Partnership guidance has informed the content of this policy:

- London Child Protection Procedures revised 8th Edition (London Safeguarding Children Board, 30th March 2026)
- Tower Hamlets Safeguarding Children Partnership Levels of Need Guidance (September 2023)
- Tower Hamlets SCP Supplementary Guidance for Schools and Education Settings on Child Protection Procedures - September 2026

- Tower Hamlets SCP Multi-Agency Escalation and Resolution Policy

5. TOWER HAMLETS SAFEGUARDING CHILDREN PARTNERSHIP

The Children Act 2004 as amended by the Children and Social Work Act 2017 has brought about the establishment of the Tower Hamlets Safeguarding Children Partnership (THSCP). The Partnership coordinates the work of all agencies and ensures that this work is effective in achieving the best outcomes for Tower Hamlets children. The three statutory safeguarding partners have published arrangements to

work together to safeguard and promote the welfare of local children, including identifying and responding to their needs. More information about the Tower Hamlets Safeguarding Children Partnership can be found on the website: www.thscp.org.uk

In accordance with *Working Together to Safeguard Children 2023*, the school is a protective factor for all children especially the most vulnerable and has a pivotal role to play in local multi-agency safeguarding arrangements. The school's contribution, insight and co-operation are vital to the successful delivery of these arrangements. The school has been named as a 'relevant agency' and as such is under a statutory duty to cooperate with the THSCP multi-agency arrangements. This includes responding to safeguarding audits of quality and compliance, as requested by the local authority and/or local safeguarding partners.

The school is committed to engaging with the THSCP multi-agency safeguarding training offer and the borough's Designated Safeguarding Leads Forums, participating in THSCP/LA's Section 175/157 School Safeguarding Audit Cycles, providing key information about children relevant to keeping children safe, participating fully in the Rapid Review process and Child Safeguarding Practice Reviews, and supporting the agreed safeguarding priority areas for 2025-2027, which are Think Family and Adolescent Safeguarding.¹

6. LOCAL AUTHORITY STRATEGY

In recognition of the school's pivotal role in the local safeguarding system, the implementation of this Child Protection policy and other related policies to safeguard and promote the welfare of pupils, will support the school's continued central contribution in driving improvements in outcomes for children in the borough, an overall objective set out in council strategy including:

- TH: Is Accelerate: The Tower Hamlets Children and Families Partnership Strategy 2024-2029
- Tower Hamlets Special Educational Needs, Disabilities and Inclusion Strategy 2024-2029
- Tower Hamlets Early Help Strategy 2025-28: Going further to make support easy to access for all families
- VAWG and Women's Safety Strategy 2024-2029

7. KEY DEFINITIONS

Safeguarding and promoting the welfare of children is:

- Providing help and support to meet the needs of children as soon as problems emerge
- protecting children from maltreatment, whether that is within or outside the home, including online
- preventing the impairment of a child's physical and mental health or development
- ensuring that children grow up in circumstances consistent with the provision of safe and effective care
- taking action to enable all children to have the best outcomes.

The phrase 'child protection' refers to the processes followed to protect children who have been identified as suffering or being at risk of suffering significant harm.

Child includes everyone under the age of 18.

Parent refers to birth parents and other adults who are in a parenting role, for example step-parents, carers, foster carers, and adoptive parents.

Staff refers to all those who work for the school or on behalf of the school, full time or part time, temporary or permanent, in either a paid or voluntary capacity.

ROLES AND RESPONSIBILITIES

The Governing Body have the strategic leadership responsibility for safeguarding arrangements at the school. As a collective body it must have regard to all relevant statutory guidance issued, including Keeping Children Safe in Education, and ensure that school's safeguarding policies and procedures, including the current Child Protection Policy, are compliant with legislation and statutory guidance, reflect local safeguarding arrangements and are effective.

In accordance with the statutory requirement the named member of the Governing Body who takes leadership responsibility for safeguarding at the school is Tej Stride and they are referred to as the Safeguarding Link Governor.

The Head of School is responsible for ensuring that the school's Child Protection Policy and other safeguarding policies are communicated to all staff, understood by all members of staff, and followed by all members of staff.

The Designated Safeguarding Lead takes the ultimate lead responsibility for safeguarding arrangements within the school on a day-to-day basis, including online safety and understanding the filtering and monitoring systems and processes in place.

The Designated Safeguarding Lead (DSL) is Darren Rubin, Kathy Blake, Bal Jheeta

The Deputy DSLs are: John Boutflour, Amy Charles

The safeguarding-link governor is Rowena Dooley

The chair of governors is Robin Precey

Designated teacher for Looked After Children: Bal Jheeta & Kathy Blake

If the Designated Safeguarding Lead (DSL) is not available please contact the Deputy DSLs:. Please log all concerns on CPOMS a web-based reporting system and remains accessible throughout school holiday periods. The DSL and DDSLs check emails throughout holiday periods and support the work of Tower Hamlets MASH. All staff have been provided contact numbers for; Child Protection Advice line, Early help, MASH and the LADO.

The DSL takes the lead on supporting pupils during standard and non-standard transition points and ensuring that relevant information for the safeguarding of these children is shared. This includes ensuring that safeguarding files are sent separate from the main pupil file to the new school within the first 5 days of the child starting there and that appropriate follow-up is done if the school is not receiving safeguarding information from the previous school the child attended.

Federation of St John's and St Paul's Whitechapel CE Primary Schools
CHILD PROTECTION & SAFEGUARDING POLICY

If the school has not received the safeguarding records for new pupils within the first 5 days of the pupil starting during standard and non-standard transition points, then the school will proactively reach out to the previous school for the transfer of safeguarding files.

All staff should recognise that as frontline workers they are in a vitally important position to identify concerns early, provide help and support to children, promote children's welfare, and prevent concerns from escalating.

All staff have a responsibility to provide a safe environment in which children can learn.

All staff have a responsibility to report safeguarding concerns immediately to the DSL.

All members of staff take responsibility for writing up clear and comprehensive safeguarding concerns using the school's safeguarding record system. Through the DSL's oversight safeguarding records include:

- a clear and comprehensive summary of the concern
- details of how the concern was followed up and resolved, and
- a note of any action taken, decisions reached and the outcome.

If in doubt about recording requirements, staff should discuss with the designated safeguarding lead (or a deputy).

If in doubt about any safeguarding matter, staff should **always** speak to the DSL.

All staff are expected to keep the school values at the core of their daily conduct and understand that they have a legal duty to safeguard the child. Ultimately, the best interests of the child must be at the centre of all decision making, behaviours and actions taken in relation to children.

The school has robust arrangements to ensure safeguarding leadership is available during school hours and during out-of-hours activities. Appropriate systems are in place to enable safeguarding concerns to be received, monitored and responded to during periods when the DSL is unavailable.

8. RIGHTS OF THE CHILD

Federation of St John's and St Paul's Whitechapel CE Primary Schools
CHILD PROTECTION & SAFEGUARDING POLICY

The school upholds the human rights of the child in accordance with the Human Rights Act 1998.² It is unlawful for schools to act in a way that is incompatible with the European Convention on Human Rights. Specifically, the school embeds and upholds the following Convention rights of the child across its safeguarding policies and procedures:

- Article 3: the right to freedom from inhuman and degrading treatment (an absolute right)
- Article 8: the right to respect for private and family life (a qualified right) includes a duty to protect individuals' physical and psychological integrity
- Article 14: requires that all of the rights and freedoms set out in the Act must be protected and applied without discrimination
- Protocol 1, Article 2: protects the right to education.

In accordance with the Equality Act 2010, the school must not unlawfully discriminate against pupils because of their sex, race, disability, religion or belief, gender reassignment, pregnancy and maternity, or sexual orientation (protected characteristics). The school is committed to supporting and taking positive action towards children with regard to particular protected characteristics - including disability, sex, sexual orientation, gender reassignment and race- who may be at a disadvantage and be disproportionately vulnerable. Please see the school Equalities Policy. Available via the website or in hard copy from the school office.

In fulfilment of the school's Public Sector Equality Duty the school has due regard to the need to eliminate unlawful discrimination, harassment, and victimisation (and any other conduct prohibited under the Equality Act), to advance equality of opportunity and foster good relations between those who share a relevant protected characteristic and those who do not.

The Federation of St Paul's and St John's Primary school will take positive action to support children with particular protected characteristics. Circle time and use of the Lifewise Program to support understanding, respect and tolerance.

As evident in the Serious Case Review Child Q, the school is aware that children from ethnically diverse groups are at risk of adultification whereby their vulnerability as a child is reduced or set aside because of racial bias and stereotypes impacting professional judgement.³ All staff share in the whole school's commitment to ensure equity, diversity and inclusion remain at the centre of the school's safeguarding culture, so that all children receive the care, support, and protection they have the right to receive.

Federation of St John's and St Paul's Whitechapel CE Primary Schools
CHILD PROTECTION & SAFEGUARDING POLICY

The school shares the London Borough of Tower Hamlet's commitment to being an anti-racist borough and to tackle and eliminate race discrimination. The council's Black, Asian, and Minority Ethnic Inequalities Commission (2021) concluded that racism still exists within institutions and structures in the borough and has developed an action plan to achieve race equality at pace.⁴ The action plan recognises that schools have a powerful and significant role in changing narratives and bringing about social change through education.

The Federation of St Paul's and St John's Primary School recognises the importance of and fosters positive role models and practices to create an environment where we are confident to challenge prejudice. We are alert to and will promote conscious inclusion. Racist concerns are reported on CPOMS and are followed up to develop the awareness of staff and pupils to the impact this has on individuals and groups. We work collaboratively with parents, and where concerns continue support from the LA is sought.

**10 CHILDREN WHO MAY BE POTENTIALLY MORE AT RISK OF HARM You
are here!!!!!!!!!!!!!!!!!!!!**

All staff should recognise that all children are vulnerable but that some children may be more vulnerable than others and at more risk of harm. Children known to a Social Worker, Looked After Children and Care Leavers are likely to have suffered abuse at some point in their childhood and may be more vulnerable to further abuse including exploitation. Staff need to be aware that other children who may be potentially more at risk of harm include

A Child who:

- is disabled or has certain health conditions and has specific additional needs;
- has special educational needs (whether or not they have a statutory Education, Health and Care Plan);
- has a mental health need;

Federation of St John's and St Paul's Whitechapel CE Primary Schools
CHILD PROTECTION & SAFEGUARDING POLICY

- is a young carer;
- is pregnant and/or is a parent themselves;
- has exhibited early signs of abusive, violent and/or harmful behaviours;
- is showing signs of being drawn in to anti-social or criminal behaviour, including gang involvement and association with organised crime groups or county lines;
- is frequently missing/goes missing from education, home or care
- has been repeatedly removed from the classroom, experienced multiple suspensions, is on a part-time timetable, is at risk of being permanently excluded from schools, colleges and in Alternative Provision or a Pupil Referral Unit
- is at risk of modern slavery, trafficking or exploitation;
- is at risk of being radicalised or exploited;
- has a parent or carer in custody, or is affected by parental offending
- is in a family circumstance presenting challenges for the child, such as drug and alcohol misuse, adult mental health issues and domestic abuse
- is misusing drugs or alcohol themselves;
- has returned home to their family from care; and
- is at risk of so-called honour-based abuse such as Female Genital Mutilation or Forced Marriage;
- is a privately fostered child;
- is persistently absent from education, including persistent absences for part of the school day.

Staff must be more vigilant in their day-to-day work with children when the above vulnerabilities are known and report all concerns immediately to the Designated Safeguarding Lead.

CHILDREN IN NEED OF A SOCIAL WORKER

Children who have been allocated a social worker may have experienced abuse including neglect and belong to a family that has many complex circumstances. Staff should recognise that these children will have experienced adversity and trauma that can leave them vulnerable to further harm, as well as educationally disadvantaged, and have a negative impact on their attendance, learning, behaviour and mental health.

When making decisions about safeguarding, carrying out risk analysis, making a safeguarding response to concerns such as unauthorised and persistent absence, and providing pastoral and academic support, the school will take seriously the fact that the child in need of a social worker will require enhanced pastoral and academic support alongside that provided by statutory services. School is also committed to providing further pastoral and academic support to children who have had historic contact with a Social

Federation of St John's and St Paul's Whitechapel CE Primary Schools
CHILD PROTECTION & SAFEGUARDING POLICY

Worker, in recognition that the abuse and trauma is likely to have an impact on the child beyond the duration of the involvement of statutory services. The school will co-operate with the Virtual School, which now has a non-statutory responsibility for the strategic oversight of the educational attendance, attainment, and progress of children known to a social worker.

The DSL and all members of staff will work with and support social workers to help protect vulnerable children. Where we are aware that a pupil has a social worker, the DSL will always consider this fact to ensure any decisions are made in the best interests of the pupil's safety, welfare and educational outcomes. For example, it will inform decisions about:

- Responding to unauthorised absence or missing education where there are known safeguarding risks.

- The provision of pastoral and/or academic support.

CHILDREN REQUIRING MENTAL HEALTH SUPPORT

All staff have an important role in supporting the mental well-being of children and to identify behaviour that may suggest a child is experiencing mental health problems. All staff need to recognise that mental health may be an indicator that a child has suffered or is at risk of suffering abuse, neglect, or exploitation or other adverse experiences.

Staff should recognise that safeguarding concerns and mental health difficulties can often overlap and interact. Children experiencing mental health difficulties may be more vulnerable to safeguarding risks, whilst children who have experienced abuse, neglect, exploitation or trauma may present with emotional, behavioural or mental health needs. Early identification and appropriate support can help prevent concerns from escalating and promote positive outcomes for children.

Whilst all staff should be alert to behaviour, presentation and emotional responses that may indicate a child is experiencing difficulties with their mental health or wellbeing, only appropriately trained professionals should attempt to make a diagnosis of a mental health condition. Concerns about a child's mental health should be discussed with the Designated Safeguarding Lead and considered alongside any other safeguarding information known about the child.

Federation of St John's and St Paul's Whitechapel CE Primary Schools
CHILD PROTECTION & SAFEGUARDING POLICY

The school is committed to promoting positive mental health and emotional wellbeing through a whole-school approach. Appropriate support will be provided at the earliest opportunity, and where necessary the school will work in partnership with parents/carers and relevant agencies to ensure that support is coordinated and proportionate to the child's needs.

We work closely with the school nursing team and CAMHs. Our referral pathway is to speak to parents, notify the school nurse, notify Social Care and to make a referral to CAMHS or to contact the GP. We have ELSA trained staff and a dedicated support worker from School Home Support who will work closely with identified families and children.

LOOKED AFTER CHILDREN AND PREVIOUS LOOKED AFTER CHILDREN

The most common reason for children becoming looked after is as a result of abuse including neglect.

Staff need to have the skills, knowledge and understanding to safeguard Looked After Children in recognition of their heightened vulnerability.

The DSL and Designated Teacher will work with relevant agencies and take immediate action to safeguard and provide support to this vulnerable group of children.

The Designated Teacher will work with the Virtual School Headteacher to safeguard and promote the educational outcomes of Looked After Children and Care Leavers. This will include how pupil premium plus funding can be best used to support looked after children and meet the needs identified in their personal education plans. The DSL will ensure that relevant updates and information are shared at the 6 monthly Personal Education Plan (PEP) meetings. Class staff work with the child to support them to achieve their targets.

The school's Designated Safeguarding Lead and Designated Teacher will work together alongside relevant agencies and take immediate action to safeguard and provide support to this vulnerable group of children. The Designated Teacher will work with the Tower Hamlets Virtual School to discuss how funding can be best used to support the progress of looked after children in the school and meet the needs identified in the child's personal education plan.

The school's Designated Safeguarding Lead will work with the Local Authority's Personal Advisor appointed to guide and support Care Leavers, so that any issues or concerns affecting the care leaver can be explored and effective support put in place.

Federation of St John's and St Paul's Whitechapel CE Primary Schools
CHILD PROTECTION & SAFEGUARDING POLICY

The school will work with the Tower Hamlets Virtual School to promote and champion the attendance, attainment and progress of children in kinship care arrangements. Since September 2024, the Virtual School has a non-statutory responsibility to promote the education of children in kinship care arrangements regardless of whether the children have been previously looked after by the Local Authority. Kinship Care is any situation in which a child is being raised in the care of a friend or family member who is not their parent. The arrangement may be temporary or longer term. Examples of kinship care arrangements include Private Fostering Arrangements, Special Guardianship Order, and Child Arrangements Order, where the child is being cared for by a relative or friend who is not a parent.

CHILDREN WITH SPECIAL EDUCATIONAL NEEDS AND DISABILITIES

Children with special educational needs and disabilities (SEND) or physical health issues can face additional safeguarding challenges. Additional barriers can exist when recognising abuse and neglect in this group of children, which can include:

- professionals and other adults making assumptions that indicators of possible abuse such as behaviour, mood and injury relate to the child's disability without further exploration
- the potential for children with SEN and disabilities or certain medical conditions being vulnerable to experiencing peer exclusion and isolation and being disproportionately impacted by behaviours such as bullying (including prejudice-based bullying), without outwardly showing any signs;
- children not understanding that what is happening to them is abuse; and
- communication barriers when reporting abuse and difficulties in overcoming these barriers.
- the need for intimate care or that these children are isolated from others and that these children are more likely to be dependent on adults for care, and
- children with SEN and disabilities may have issues understanding the impact of their behaviour or the consequences they receive. They may be unable to understand the difference between fact and fiction in online content and then repeat the content/behaviours in school or college.
-

Federation of St John's and St Paul's Whitechapel CE Primary Schools
CHILD PROTECTION & SAFEGUARDING POLICY

For some disabled children, their dependency on parents and carers for practical assistance in daily living, including intimate personal care, may increase their risk of exposure to abusive behaviour. Some children may also have an impaired capacity to resist or avoid abuse. Looked After Disabled Children may be particularly susceptible to possible abuse because of their additional dependency on residential and hospital staff for day to day physical care needs.

Further information on safeguarding SEND children is available in the non-statutory guidance [Safeguarding Disabled Children](#) (2009); [NSPCC Safeguarding Children with Special Educational Needs and Disabilities](#) (May 2022), and [NSPCC Safeguarding d/Deaf Children and Children who have disabilities at greater risk of abuse](#) (September 2025). Staff should speak with the DSL and SENDCO in the first instance.

All staff are regularly trained to understand and be aware of the additional barriers that exist when safeguarding SEND children. All staff need to be aware that SEND children may be more vulnerable when online and using digital platforms, and it is important that Online Safety lessons and related advice are tailored to their individual needs.

14. CHILDREN MISSING EDUCATION AND CHILDREN MISSING

The school closely monitors attendance, absence and exclusions. A child going missing from education is a potential indicator of abuse and neglect, including child sexual abuse, child sexual exploitation, child criminal exploitation or mental health problems. Staff should be alert to children already known to be vulnerable going missing from education especially Children known to a Social Worker and Looked After Children.

The school follows up on absences as part of its safeguarding duty. Staff must be alert to signs of children at risk of travelling to conflict zones, female genital mutilation and forced marriage.

Our Attendance Officers monitor attendance daily and follow up with calls if a child is absent. Home visits, meetings and welfare calls occur if we cannot speak to a parent or carer and the child is not in school. Our Attendance and Welfare Adviser supports with following up concerns.

Federation of St John's and St Paul's Whitechapel CE Primary Schools

CHILD PROTECTION & SAFEGUARDING POLICY

When a pupil does not return to school and the whereabouts of the child and their family are not known after the school has made initial inquiries, the school must refer to the Local Authority using a Missing Children referral form.

Contact: LBTH CME Officer, Tower Hamlets Education Safeguarding Service, 020 7364 3426 / 07562 431 817

CHILDREN WITH MEDICAL CONDITION

Children with medical conditions may face additional safeguarding vulnerabilities, particularly where their condition affects communication, independence, emotional wellbeing or attendance. Staff should be mindful that safeguarding concerns may present differently and should work alongside health professionals and parents to support these children.

Children with medical conditions may be at an increased risk of being neglected, abused or exploited by persons inside or outside of their family unit because of their medical condition. This might occur where relevant information about a child or young person's medical condition is not provided to a school or where they are repeatedly sent without essential medication, thereby putting the individual at risk. In these cases, the school will take appropriate action and make referrals to the Children Social Care.

CHILDREN ABSENT FROM EDUCATION & CHILDREN MISSING EDUCATION

The school closely monitors attendance, absence, suspensions, and exclusions. A child absent from education, whether prolonged or on repeat occasions, can be a vital warning sign of a wide range of safeguarding issues and is a potential indicator of abuse and neglect, including child sexual abuse, child sexual exploitation, and child criminal exploitation (county lines).

In accordance with the DfE's statutory guidance [Working together to improve school attendance](#), the school follows up on absences and addresses persistent and severe absence as part of its safeguarding duty. Such an approach prevents the risk of these children becoming children missing education in the future. Staff address daily absence and persistent absence as soon as these problems emerge as part of school's early help response. Staff should be alert to children already known to be vulnerable especially Children known to a Social Worker and Looked After Children, since absence from education may increase known safeguarding risks within the family or in the community. Staff must also be alert to signs of children at risk of travelling to conflict zones, female genital mutilation and forced marriage.

Federation of St John's and St Paul's Whitechapel CE Primary Schools
CHILD PROTECTION & SAFEGUARDING POLICY

When a pupil does not return to school and the whereabouts of the child and their family are not known, the school will make reasonable enquiries and refer the child to the Attendance & Welfare Advisor to support with those enquiries to ascertain the child's whereabouts, and only after these steps have been taken refer to the Local Authority using a Missing Children referral form.

Children missing education are children of compulsory school age who are not registered pupils at a school and are not receiving suitable education otherwise than at a school. Children missing education are at significant risk of underachieving, being victims of harm, exploitation or radicalisation, and becoming NEET (not in education, employment or training) later in life.

ELECTIVE HOME EDUCATION

The school recognises that parents have a legal right to electively home educate their child at home; however, it is expected that the parents' decision to do this is made with their child's best education and best interests at its heart. Staff should be aware that even though most home educated children have a positive experience, this is not the case for all, and home education can mean some children are less visible to the services that are there to keep them safe and supported in line with their needs.

When a parent informs the head teacher of their intention to electively home educate their child, the school will convene and coordinate a meeting between the LA, relevant school staff, parents and all key professionals currently working with the child and family. In accordance with LBTH Policy this meeting must occur before any final decision is made by the parents, to ensure that the best interests of the child have been taken fully into account and carefully considered. The occurrence of this meeting is especially important when the children have known vulnerabilities including Children known to a Social Worker and SEND children.

WHISTLEBLOWING

Federation of St John's and St Paul's Whitechapel CE Primary Schools

CHILD PROTECTION & SAFEGUARDING POLICY

All staff members have a responsibility to raise concerns about poor or unsafe practice and potential failures in any aspect of the school's safeguarding arrangements and staff should feel confident that such concerns will be taken seriously by the senior leadership team.

Please refer to the school's Whistleblowing Policy, which staff need to follow.

Where a staff member feels unable to raise an issue with their employer, or feels that their genuine concerns are not being addressed, they should consider other channels available to employees as set out in [Government's guidance on whistleblowing](#). To raise whistleblowing concerns externally school staff are advised to report to the Prescribed Bodies in the [Government's List of Prescribed Bodies and Persons](#), which includes for safeguarding related concerns the NSPCC: Whistleblowing Advice Line 0800 028 0285 which is free & anonymous, more information can be found at nspcc.org.uk/whistleblowing.

REPORTING OF ALLEGATIONS AGAINST STAFF & CONCERNS THAT DO NOT MEET THE HARM THRESHOLD

Allegations of harm may indicate that a person who works with children might pose a risk of harm to children if they continue in that role. When an allegation is made against a member of staff including supply staff, **trainee teachers** and volunteers, the school's Managing Allegations Procedures should be followed, and all action taken needs to be in line with **KCSIE 2026** Part 4 and the THSCP Supplementary Guidance- Managing Allegations of Abuse against Staff – September 2026.

An allegation is made against a member of staff including supply staff, volunteers, contractors and governors, when an individual has:

- behaved in a way that has harmed a child, or may have harmed a child;
- possibly committed a criminal offence against or related to a child;
- behaved towards a child or children in a way that indicates he or she may pose a risk of harm to children; or
- behaved or may have behaved in a way that indicates they may not be suitable to work with children.

All staff must report all allegations, irrespective of the source, directly to the headteacher and ensure that it is put in writing, signed and dated. If the subject of the allegation is the headteacher, then the allegation should be directly reported to the Chair of Governors.

Federation of St John's and St Paul's Whitechapel CE Primary Schools

CHILD PROTECTION & SAFEGUARDING POLICY

On receipt of a report of an allegation, the headteacher will make immediate contact with the Local Authority Designated Officer for an initial discussion. If the allegation concerns the headteacher, then the Chair of Governors shall make contact with the LADO.

When an allegation is made against a supply member of staff, the headteacher will be the case manager and take the lead in contacting the LADO.

When schools receive a report of an allegation relating to an incident that happened when an individual or external organisation was making use of the school premises for activities involving children, the headteacher should seek the advice of the LADO.

Allegations concerning staff who no longer work at the school, or historical allegations will be reported to the police.

LBTH Local Authority Designated Officer (LADO): Melanie Benzie

Email: Melanie.Benzie@towerhamlets.gov.uk or LADO@towerhamlets.gov.uk

Telephone: 0207364 0677

In accordance with the Early Years Framework registered Early Years settings must notify Ofsted of serious allegations of harms and the actions taken by the setting as soon as is reasonably practicable but no longer than 14 days. A registered provider who, without reasonable excuse, fails to comply with this requirement, commits an offence.

Concerns about staff that do not initially seem to fulfil the allegation criteria set out above are known as Concerns that do not meet the Harm Threshold, sometimes called low-level concerns, not because they are insignificant but because they do not initially seem to meet the harm threshold. Staff should report and self-report such concerns in accordance with the school's procedures, which are found in the school's Staff Code of Conduct. Contact will be made with the LADO for advice and guidance when appropriate as part of the Headteacher's or Chair of Governor's response to the report.

All staff should understand their responsibility to report **all concerns** about staff conduct which has taken place at the school or outside of the school including online environments, no matter how small or insignificant they might be perceived to be.

STAFF SAFEGUARDING TRAINING INCLUDING TRAINING FOR GOVERNORS

School staff, Governors and Trustees are required to have compulsory safeguarding training as part of their induction and to maintain their knowledge through regular safeguarding training and updates. The safeguarding training at induction and indeed as part of continuous professional development should include Online Safety covering among other things an understanding of the expectations, applicable roles, and responsibilities in relation to filtering and monitoring systems in place at the school. Through regular safeguarding training and updates staff are given the relevant skills and knowledge to safeguard children effectively and governors/trustees will be empowered and equipped to provide strategic challenge and gain assurance that effective safeguarding arrangements are in place

In addition to School Staff, Governors and Trustees are required to have compulsory safeguarding training as part of their induction and to maintain their knowledge through regular safeguarding training and updates. Through regular safeguarding training and updates staff are given the relevant skills and knowledge to safeguard children effectively and governors/trustees will be empowered and equipped to provide strategic challenge and gain assurance that effective safeguarding arrangements in place.

All staff are trained in safeguarding via the DSL and where possible the Tower Hamlets Safeguarding Team. Training is signed for, as is reading all the relevant aspects and policies as part of INSET annually or as statute dictates. Safeguarding updates occur for staff who may have missed the training. Safeguarding is part of our staff handbook, induction pack. The safeguarding components of induction of new staff including agency staff and volunteers are shared with the school business manager and the DSL including with newly appointed governors. The DSL shares safeguarding updates and bulletins, through continual professional development meetings.

Each week at staff meeting part of the safeguarding/child protection policy is shared with staff. There are also safeguarding messages delivered at staff briefings. The senior leadership team ask questions relating the safeguarding item of the week. A record is kept of safeguarding training.

VISITORS

Visitors are agreed with the Leadership Team and are not left unattended with pupils at any time unless they are social workers/Educational Psychologists/Speech and Language

Therapist/Art Therapist. The site manager accompanies visitors who are on site for building reasons and these visits are organised before or after school, where possible. Any content intended to be shared with pupils has to be sent to the DSLs for checking prior to sharing. All visitors are made aware of our safeguarding procedures and agree them when they register and sign in to school. No visitor is allowed in without signing in and complying with our procedures.

When a Social Worker, Police Officer or another professional visits the school to meet with a child as part of statutory investigations or other work, the ultimate safeguarding responsibility remains with the school. Visitors may include professionals, contractors, guest speakers, performers, family members and community organisations. The school will undertake appropriate checks, and supervision arrangements proportionate to the purpose of the visit.

The school is aware of the need for the child to have an appropriate adult when interviewed by the Police in accordance with the [PACE Code C statutory guidance](#).

All visitors to school report to the school office.. They sign in using the visitors book and are given a badge. Visitors must produce a DBS certificate which is then recorded by the school office and held on the single central record.

VOLUNTEERS

From September 2026, volunteers undertaking teaching, training, instruction or supervision of children frequently, on more than three days in a thirty-day period, or overnight, are engaged in regulated activity and will require appropriate DBS checks, including children's barred list information where required.

Volunteers who are not undertaking regulated activity will be subject to a written risk assessment to determine the level of safeguarding checks required.

ALTERNATIVE PROVISION PROVIDERS

When the school places a pupil with an alternative provision provider in the best interests of the child, the school will continue to be responsible for the safeguarding of that pupil and will take action to be satisfied that the placement meets the pupil's needs.

In accordance with KCSIE and the statutory guidance [Arranging Alternative Provision](#), as a minimum, the school will have a written record of where a child is based during school hours, the address of the alternative provider and any subcontracted provision or satellite sites the child may attend. The school will regularly review at least half termly the alternative provision

Federation of St John's and St Paul's Whitechapel CE Primary Schools
CHILD PROTECTION & SAFEGUARDING POLICY

placements to obtain assurance that the child is regularly attending, and the placement continues to be safe and meets the child's needs. Where safeguarding concerns arise, the school will immediately review the placement and consider termination, if necessary, unless or until those concerns have been satisfactorily addressed.

In fulfilment of its safeguarding responsibilities towards the pupil placed there, the school will obtain written information from the alternative provider that appropriate safeguarding checks have been carried out on individuals working at the Alternative Provider, for example, the checks that schools would otherwise perform on their own staff. The school will also obtain written confirmation that the alternative provider will inform the school of any arrangements that may put the child at risk (i.e. staff changes), so that the commissioning school can ensure itself that appropriate safeguarding checks have been carried out on new staff.

EXTENDED SCHOOL AND OFF-SITE ARRANGEMENTS

We always have a member of staff present or available when outside organisations provide a service after school so the children always have a familiar person with them and any risk is mitigated. No one is allowed on site unless the relevant checks are in place to ensure they have the correct procedures in place, including safer recruitment procedures including if applicable the Childcare Disqualification 2018 Regulations. When pupils attend off-site activities, including day and residential visits and work-related activities, a member of staff always accompanies them.

All off-site activities are subject to the school's risk assessment and safeguarding procedures.

Where services or activities are provided separately by another organisation outside of normal school hours, the school will seek assurance that the organisation has effective safeguarding policies and procedures in place. This applies regardless of whether or not the children who attend any of these services or activities are pupils on the school register. The safeguarding standards expected of non-regulated external organisations are set out in the Department for Education's After-School Clubs, Community Activities and Tuition: Safeguarding Advice for Providers (September 2023, Updated 29 May 2025). The school will ensure that all safeguarding requirements are set out clearly in the lease or hire agreement with the organisation, as a condition of use and occupation of the school premises; and that failure to comply would lead to the termination of the agreement.

IDENTIFYING ABUSE

Federation of St John's and St Paul's Whitechapel CE Primary Schools
CHILD PROTECTION & SAFEGUARDING POLICY

Abuse and neglect are forms of maltreatment. Somebody may abuse or neglect a child by inflicting harm, or by failing to act to prevent harm. Abuse may be carried out by adults and other children.

The school is aware that children can be at risk of abuse, harm and exploitation beyond the family home. Extra familial harms include sexual exploitation, criminal exploitation, serious youth violence, and abuse that occurs on digital and online platforms. All staff especially the DSL and Deputy DSLs must consider whether children are at risk of harm and exploitation in environments outside the family home. All staff should therefore apply a Contextual Safeguarding approach when safeguarding children in the setting.

INDICATORS OF ABUSE

Physical - may involve hitting, shaking, throwing, poisoning, burning or scalding, drowning, suffocating or otherwise causing physical harm to a child. Physical harm may also be caused when a parent fabricates the symptoms of, or deliberately induces, illness in a child.

Sexual - involves forcing or enticing a child or young person to take part in sexual activities, not necessarily involving violence, whether or not the child is aware of what is happening. The activities may involve physical contact, including assault by penetration (for example rape or penetration with an object) or non-penetrative acts such as masturbation, kissing, rubbing and touching outside of clothing. They may also include non-contact activities, such as involving children in looking at, or in the production of, sexual images, watching sexual activities, encouraging children to behave in sexually inappropriate ways, or grooming a child in preparation for abuse. Sexual abuse can take place online, and technology can be used to facilitate offline abuse. Sexual abuse is not solely perpetrated by adult males. Women can also commit acts of sexual abuse, as can other children.

Further guidance and resources for schools on Child Sexual Abuse can be found on the [Centre for Expertise on Child Sexual Abuse website](#) which includes the guidance documents *Communicating with Children for Education Professionals* and *Communicating with Parents and Carers*.

Emotional - the persistent emotional maltreatment of a child such as to cause severe and adverse effects on the child's emotional development. It may involve conveying to a child that they are worthless or unloved, inadequate, or valued only insofar as they meet the needs of another person. It may include not giving the child opportunities to express their views, deliberately silencing them or 'making fun' of what they say or how they communicate. It may feature age or developmentally inappropriate expectations being imposed on children. These may include interactions that are beyond a child's developmental capability as well as

Federation of St John's and St Paul's Whitechapel CE Primary Schools
CHILD PROTECTION & SAFEGUARDING POLICY

overprotection and limitation of exploration and learning, or preventing the child from participating in normal social interaction. It may involve seeing or hearing the ill-treatment of another. It may involve serious bullying (including cyberbullying), causing children frequently to feel frightened or in danger, or the exploitation or corruption of children. Some level of emotional abuse is involved in all types of maltreatment of a child, although it may occur alone.

Neglect - the persistent failure to meet a child's basic physical and/or psychological needs, likely to result in the serious impairment of the child's health or development. Neglect may occur during pregnancy, for example, as a result of maternal substance abuse. Once a child is born, neglect may involve a parent failing to: provide adequate food, clothing and shelter (including exclusion from home or abandonment); protect a child from physical and emotional harm or danger; ensure adequate supervision (including the use of inadequate care-givers); or ensure access to appropriate medical care or treatment.

The DSL is aware of the borough's [LBTH Neglect Guidance toolkits](#) and all school staff understand their important frontline role in identifying children who may be suffering from Neglect.

VOICE OF THE CHILD

All those with a responsibility to safeguard children need to recognise that it takes great courage for a child to share a concern and speak up about any form of abuse especially child sexual abuse.

There are many reasons why children are not able to articulate what they are experiencing. Children may feel embarrassed, humiliated, or are currently being threatened by the perpetrator of abuse. Also, children may not feel ready or know how to tell a trusted adult that they are being abused, exploited, or neglected. They may not even realise that their experiences are harmful.

The barriers preventing a child communicating their concerns may be connected to their vulnerability, disability, sexual orientation, or language. The child's behaviour may be the first sign that a child has experienced harm. Staff will therefore exhibit professional curiosity and understand that a child may be communicating a concern through their actions and behaviours and take a safeguarding approach when responding to behaviours.

Staff need to be aware of and promote the systems in place at the school which enable children to share their concerns and report abuse confidently. Children need to be assured that their concerns will be taken seriously by staff and action will be taken to safeguard and protect them. It is also important that staff determine how best to build safe and trusted relationships with children and young people which facilitates communication and the sharing of concerns.

Federation of St John's and St Paul's Whitechapel CE Primary Schools
CHILD PROTECTION & SAFEGUARDING POLICY

There are posters displayed around the school with a photograph of the DSL to remind children who the safeguarding lead is within school. Staff create a positive environment and are trained to allow children time and space to share any concerns they may have. NSPCC and child line posters are displayed around the school and are discussed with children every term. Children are encouraged to share how they feeling using zones of regulation.

SAFEGUARDING

CHILD SEXUAL EXPLOITATION

Child Sexual Exploitation is a form of child sexual abuse. CSE occurs where an individual or group takes advantage of an imbalance of power to coerce, manipulate or deceive a child into sexual activity (a) in exchange for something the victim needs or wants, and/or (b) for the financial advantage or increased status of the perpetrator or facilitator. The victim may have been sexually exploited even if the sexual activity appears consensual. Apart from age other factors that could make a child more vulnerable to exploitation, include gender, sexual identity, cognitive ability, learning difficulties, communication ability, physical strength, status, and access to economic or other resources.

CSE can include both contact (penetrative and non-penetrative acts) and non-contact sexual activity such as involving children in the production of sexual images, forcing children to look at sexual images or watch sexual activities, encouraging children to behave in sexually inappropriate ways or grooming a child in preparation for abuse including via the internet. CSE can occur over time or be a one-off occurrence and may occur without the child or young person's immediate knowledge (e.g. through others copying videos or images they have created and posted on social media).

CSE can affect any child or young person (male or female) under the age of 18 years, including 16 and 17 year olds who can legally consent to have sex. Some children may not realise they are being exploited, as they may believe they are in a genuine romantic relationship. Children may also be exploited by other children, who themselves may be experiencing exploitation – where this is the case, it is important that the child perpetrator is also recognised as a victim.

Staff should be vigilant and be aware of the following can be indicators of CSE, which is by no means an exhaustive list, and reports all concerns immediately to the DSL:

- Children who are in possession of multiple phones and overly anxious to check their phones

Federation of St John's and St Paul's Whitechapel CE Primary Schools
CHILD PROTECTION & SAFEGUARDING POLICY

- Children who experience sudden changes in behaviour e.g. looking agitated, children who want to leave the school premises at lunchtime
- children who have older boyfriends or girlfriends;
- Children who suffer from sexually transmitted infections or become pregnant.
- Children who appear with unexplained gifts or new possessions;
- Children who associate with other young people involved in exploitation;
- Children who suffer from changes in emotional well-being;
- Children who misuse drugs and alcohol;
- Children who go missing for periods of time or regularly come home late; and
- Children who regularly miss school or education or do not take part in education.

For further information staff can read the [Home Office Statutory Guidance](#) on Child Sexual Exploitation as well as speaking to the DSL.

26. CHILD CRIMINAL EXPLOITATION INCLUDING COUNTY LINES

Child Sexual Exploitation is a form of child sexual abuse. CSE occurs where an individual or group takes advantage of an imbalance of power to coerce, manipulate or deceive a child into sexual activity (a) in exchange for something the victim needs or wants, and/or (b) for the financial advantage or increased status of the perpetrator or facilitator and/or through violence or the threat of violence. This can be committed or facilitated by an organised network or gang, and the victim may identify as being part of this group. CCE and CSE can affect children, both male and female, and can include children who have been moved (commonly referred to as trafficking) for the purpose of exploitation. This may constitute modern slavery - <https://www.gov.uk/government/publications/modern-slavery-how-to-identify-and-support-victims/modern-slavery-statutory-guidance-for-england-and-wales-under-s49-of-the-modern-slavery-act-2015-and-non-statutory-guidance-for-scotland-and-northe>. Where a child is identified as a potential victim of CSE or CSE, a child protection and modern slavery referral will be made.

The victim may have been sexually exploited even if the sexual activity appears consensual. Apart from age other factors that could make a child more vulnerable to exploitation, include gender, sexual identity, cognitive ability, learning difficulties, communication ability, physical strength, status, and access to economic or other resources.

CSE can affect any child or young person (male or female) under the age of 18 years, including 16 and 17 year olds who can legally consent to have sex.

This can be committed by an individual or an organised network and most sexual abuse is committed by those previously known to the victim. County Lines is a term used to describe gangs and organised criminal networks involved in exporting illegal drugs using dedicated mobile phone lines or other form of “deal line”. This activity can happen locally as well as across the UK - no specified distance of travel is required. Children and vulnerable adults are exploited to move, store and sell drugs and money. Offenders will often use coercion, intimidation, violence (including sexual violence) and weapons to ensure compliance of victims.

Children can be targeted and recruited into county lines in a number of locations including schools (mainstream and special), further and higher educational institutions, pupil referral units, children's homes and care homes.

Children are also increasingly being targeted and recruited online using social media. Children can easily become trapped by this type of exploitation as county lines gangs can manufacture drug debts which need to be worked off or threaten serious violence and kidnap towards victims (and their families) if they attempt to leave the county lines network.

Many of the indicators of children involved in County Lines are as described above under CCE. However, in addition they can include children who:

- go missing from education and/or home and subsequently found in areas away from their home;
- have been the victim or perpetrator of serious violence (e.g. knife crime);
- are involved in receiving requests for drugs via a phone line, moving drugs, handing over and collecting money for drugs;
- are exposed to techniques such as ‘plugging’, where drugs are concealed internally to avoid detection;
- are found in accommodation that they have no connection with, often called a ‘traphouse or cuckooing’ or hotel room where there is drug activity;
- owe a ‘debt bond’ to their exploiters;

Federation of St John's and St Paul's Whitechapel CE Primary Schools
CHILD PROTECTION & SAFEGUARDING POLICY

- have their bank accounts used to facilitate drug dealing

Further information on the signs of a child's involvement in county lines is available in guidance published by the Home Office and The Children's Society County Lines Toolkit For Professionals.

Primary schools should be alert to the increase vulnerability of children under 10 years old being exploited because they are under the age of criminal responsibility.

SERIOUS YOUTH VIOLENCE

All staff are aware of indicators, which may signal that children are at risk from, or are involved with serious violent crime. These may include disrupted education (e.g. suspensions, permanent exclusions, time in alternative provision) or a history of offending, increased absence from school, a change in friendships or relationships with older individuals or groups, a significant decline in performance, signs of self-harm or a significant change in wellbeing, or signs of assault or unexplained injuries. Unexplained gifts or new possessions could also indicate that children have been approached by, or are involved with, individuals associated with criminal networks or gangs. Children involved may be both victims and perpetrators of harm. School staff will consider whether involvement in serious violence forms part of a wider safeguarding concern.

ONLINE HARMS

Children should have the right to explore the digital environment but also the right to be safe when on it. However, technology often provides the platform that facilitates harm, and the use of technology has become a significant component of many safeguarding issues. Examples of which include child sexual exploitation; child criminal exploitation; radicalisation; sexual predation/grooming; and forms of child-on-child abuse such as cyberbullying and making or sharing nudes and semi-nudes. The Online Safety Act 2023 among other things makes cyberflashing, threatening communications and the promotion of self-harm criminal offences. Artificial Intelligence is the current technological innovation evolving with speed, which will benefit society including the education sector but also generate great risks and challenges compromising the safety of children, for example, Generative Artificial Intelligence is being misused to create sexualised images and videos of children especially girls.

CHILD PROTECTION & SAFEGUARDING POLICY

[Schools are signposted to the Internet Watch Foundation's Professionals Guide: Understanding and Responding to AI-Generated Child Sexual Abuse Material and the IWF's Report and Remove Tool that may be useful for pupils

In many cases abuse will take place concurrently via online channels and in daily life. Children can also abuse other children online, which can take the form of abusive, harassing, and misogynistic messages, the non-consensual sharing of indecent images, especially around chat groups, and the sharing of abusive images and pornography, to those who do not want to receive such content. In accordance with Behaviour in Schools. Advice for headteachers and school staff (September 2022), the school promotes as part of its culture of excellent standards of behaviour that the same standards of behaviour are expected online as apply offline, and that every pupil should be treated with kindness, respect and dignity.

An effective approach to online safety empowers a school or college to protect and educate the whole school or college community in their use of technology and establishes mechanisms to identify, intervene in, and escalate any incident where appropriate.

The breadth of issues classified within online safety is considerable, but can be categorised into four areas of risk that should form the framework for school's approach to Online Safety:

- Content: being exposed to illegal, inappropriate or harmful material; for example, pornography, fake news, racism, prejudice-based content, misogyny, self-harm, suicide, anti-Semitism, radicalisation and extremism;
- Contact: being subjected to harmful online interaction with other users; for example peer to peer pressure, commercial advertising as well as adults posing as children or young adults with the intention of grooming or exploiting them for sexual, criminal; financial or other purposes;
- Conduct: personal online behaviour that increases the likelihood of, or causes, harm; for example making, sending and receiving explicit images (e.g. consensual or non-consensual sharing of nudes and semi-nudes), and/or pornography, sharing other explicit images and online bullying.
- Commerce: risks such as online gambling, inappropriate advertising, phishing and or financial scams. When pupils are at risk of phishing, school can reports concerns to the Anti-Phishing Working Group (<https://apwg.org/>).

School is committed to reviewing and implementing its Online Safety Risk Assessment to keep staff and pupils safe when using technology including the use of Artificial Intelligence.

Cybercrime is criminal activity committed using computers and/or the internet. It is broadly categorised as either 'cyber-enabled' (crimes that can happen off-line but are enabled at

Federation of St John's and St Paul's Whitechapel CE Primary Schools

scale and at speed on-line) or 'cyber dependent' (crimes that can be committed only by using a computer).

When there are concerns about a child in this area, staff should notify the DSL, who will consider referring the child into the Cyber Choices programme (cyberchoices.uk). It aims to intervene where young people are at risk of committing, or being drawn into, low level cyber-dependent offences and divert them to a more positive use of their skills and interests.

In accordance with the Prevent Duty the school has appropriate filtering and monitoring systems in place when children access the internet via school devices and when using the school network. The school meets the Department for Education's Filtering and Monitoring Standards through

- identifying and assigning roles and responsibilities to manage filtering and monitoring systems.
- The effectiveness of filtering and monitoring systems will be formally reviewed at least annually by the senior leader responsible for filtering and monitoring, working alongside the DSL and IT support provider. Records of these reviews and checks will be maintained.
- blocking harmful and inappropriate content without unreasonably impacting teaching and learning.
- having effective monitoring strategies in place that meet their safeguarding needs.

At the Federation of St Paul's and St John's CofE Primary school we subscribe to the LGFL filtering systems. Turniton advisors manage and support the staff to monitor and make adjustments to this system as required whilst children are using accessing the internet in site. Staff vigilance is paramount and children know how to report their concerns. the school regularly reviews the effectiveness of the filtering and monitoring system in accordance with the Department for Education's Digital and Technology Standards

Detailed information is included in the computing policy relating to on-line remote learning and our prevent duty requirements.

The Federation of St Paul's and St John's CofE Primary School is committed to ensuring that Online Safety is a running and interrelated theme throughout its safeguarding arrangements including policy and procedure, the curriculum, staff training and induction, the role of the DSL, and parental engagement. As part of a whole school approach the school is committed to ensure that all parents have the opportunity to be empowered and upskilled in keeping children safe online through the sharing of Online Safety information,

Reference should be made to the staff handbook for further details relating to the Acceptable Use agreement, Mobile Phone and Social Media for adults, Children should not be using personal devices to access the internet.

In accordance with Department for Education's guidance, Mobile Phones in Schools (February 2026), the school prohibits the use of mobile/smart phones throughout the school day as set out in the Behaviour Policy. The school's Mobile Phone Policy forms part of the wider safeguarding framework and sets out expectations relating to pupils, staff and visitors concerning the safe and appropriate use of mobile devices.

Staff should report Online Safety concerns about pupils to the Designated Safeguarding Lead as with all other safeguarding concerns. When it comes to the safety and well-being of the child, the response to the risks and harms that children may experience in the online or digital environment should be no different than the offline, face to face world. For most children there is little distinction between the online and face to face interactions as the two environments often intersect with one another in their daily lives. Staff should recognise that children's experience of abuse in the digital environment may be even more pronounced, where the identity of the abuser is unknown and the abuse can continue 24 hours a day, 7 days a week.

Staff should be aware that children with known vulnerabilities such as SEND, LAC and PLAC children and Children known to a Social Worker, may be more vulnerable to harm and exploitation in the online and digital environments.

DOMESTIC ABUSE

The Domestic Abuse Act 2021 recognises the impact of domestic abuse on children, as victims in their own right, if they see, hear or experience the effects of abuse. The statutory definition of domestic abuse recognises that domestic abuse may occur in different types of relationships, including ex-partners and family members. Domestic Abuse may involve a range of abusive behaviours including physical, emotional and economic abuse and coercive and controlling behaviour. Both the person who is carrying out the behaviour and the person to whom the behaviour is directed towards must be aged 16 or over and they must be "personally connected". Domestic Abuse may involve a range of abusive behaviours, which may be a single incident or a pattern of abuse, including physical, sexual, emotional and economic abuse, and coercive and controlling behaviour.

Staff should be aware that all children can witness and be adversely affected by domestic abuse in the context of their home life where domestic abuse occurs between family members. Experiencing domestic abuse and/or violence can have a serious, long lasting emotional and psychological impact on children and have a detrimental and long-term impact on their health, well-being, development, and ability to learn. In some cases, a child may blame themselves for the abuse or may have had to leave the family home because of the abuse. Children can also experience domestic abuse within their own intimate relationships. This form of child-on-child abuse is sometimes referred to as 'teenage relationship abuse'.

School has signed up to the Metropolitan Police's Operation Encompass system and on receipt of a notification from the Police will provide appropriate support to the child or children concerned, who attend the school. Operation Encompass ensures that when police are called to an incident of domestic abuse, and where there are children in the household, the police will inform the school's Designated Safeguarding Lead before the child or children arrive at school the following day. The purpose of Operation Encompass is to enable the school to provide 'silent support' and is not intended to replace statutory procedures.

The school is committed to VAWG and has taken the VAWG pledge. It is displayed on our website and there are two members of staff who have attended the training sessions with the local authority.

SO-CALLED HONOUR-BASED ABUSE

Federation of St John's and St Paul's Whitechapel CE Primary Schools

CHILD PROTECTION & SAFEGUARDING POLICY

So-called 'honour'-based abuse (HBA) encompasses incidents or crimes which have been committed to protect or defend the honour of the family and/or the community, including female genital mutilation (FGM), forced marriage, and practices such as breast ironing. Abuse committed in the context of preserving 'honour' often involves a wider network of family or community pressure and can include multiple perpetrators. All forms of so-called Honour Based Abuse are abuse (regardless of the motivation) and should be handled and escalated as such. Professionals in all agencies, and individuals and groups in relevant communities, need to be alert to the possibility of a child being at risk of Honoured Based Abuse, or already having suffered Honour Based Abuse.

If staff have a concern regarding a child who might be at risk of Honour Based Abuse or who has suffered from Honour Based Abuse, they should speak to the Designated Safeguarding Lead, who will follow local safeguarding procedures.

Female Genital Mutilation

In England, Wales and Northern Ireland, FGM is a criminal offence under the Female Genital Mutilation Act 2003. Reference should be made to this guidance when dealing with any FGM HM Government Multi-Agency Statutory Guidance on FGM, Updated 30th July 2020]

Section 5B of the Female Genital Mutilation Act 2003 (as inserted by section 74 of the Serious Crime Act 2015) places a statutory duty upon teachers, along with regulated health and social care professionals in England and Wales, to report to the police where they discover (either through disclosure by the victim or visual evidence) that FGM appears to have been carried out on a girl under 18. Those failing to report such cases may face disciplinary sanctions. It will be rare for teachers to see visual evidence, and they should not be examining pupils or students. Teachers must personally report to the police cases where they discover that an act of FGM appears to have been carried out. However, teachers should notify the Designated Safeguarding Lead of this action as well as reporting the disclosure of FGM in line with school's safeguarding procedures.

The duty on teachers to report to the police does not apply in relation to at risk or suspected cases (i.e. where the teacher does not discover that an act of FGM appears to have been carried out, either through disclosure by the victim or visual evidence) or in cases where the woman is 18 or over. In these cases, teachers should follow local safeguarding procedures and report concerns to the Designated Safeguarding Lead. If in doubt, staff should speak to the Designated Safeguarding Lead.

Forced Marriage

Federation of St John's and St Paul's Whitechapel CE Primary Schools

CHILD PROTECTION & SAFEGUARDING POLICY

In England and Wales, the practice of Forced Marriage is a criminal offence under the Anti-Social Behaviour, Crime and Policing Act 2014. Schools and colleges can play an important role in safeguarding children from forced marriage.

School and college staff can contact the Forced Marriage Unit if they need advice or information: Contact: 020 7008 0151 or email fmv@fcdo.gov.uk. Reference can also be made to the Statutory guidance and multi-agency guidelines:

Virginity Testing and Hymenoplasty

The government has made it illegal to carry out, offer or aid and abet virginity testing or hymenoplasty in any part of the UK, as part of the Health and Care Act 2022.

It is also illegal for UK nationals and residents to do these things outside the UK.

In response to any reports of a child/young person being subject to or at risk of virginity testing or hymenoplasty, the DSL will take action in accordance with the government's non-statutory guidance [Virginity testing and hymenoplasty: multi-agency guidance](#) (August 2025).

RADICALISATION AND EXTREMISM

Children are vulnerable to extremist ideology and radicalisation. Similar to protecting children from other forms of harms and abuse, protecting children from this risk is part of the school's safeguarding approach.

- Extremism is the vocal or active opposition to our fundamental values, including democracy, the rule of law, individual liberty and the mutual respect and tolerance of different faiths and beliefs. This also includes calling for the death of members of the armed forces.
- Radicalisation refers to the process by which a person comes to support terrorism and extremist ideologies associated with terrorist groups.
- Terrorism is an action that endangers or causes serious violence to a person/people; causes serious damage to property; or seriously interferes or disrupts an electronic system. The use or threat must be designed to influence the government or to

Federation of St John's and St Paul's Whitechapel CE Primary Schools
CHILD PROTECTION & SAFEGUARDING POLICY

intimidate the public and is made for the purpose of advancing a political, religious or ideological cause.

There is no single way of identifying whether a child is likely to be susceptible to an extremist ideology. Background factors combined with specific influences such as family and friends may contribute to a child's vulnerability. Similarly, radicalisation can occur through many different methods (such as social media or the internet) and settings (such as within the home).

The school's Prevent policy covers all issues relating to radicalisation and extremism. All staff receive regular training and updates. Prevent related issues are addressed through the curriculum, supplementary workshops and the school community.

CHILD-ON-CHILD ABUSE (INCLUDING HARASSMENT AND VIOLENCE)

Staff must be aware that children may be harmed by other children.

Child-on-child abuse is a safeguarding issue for both the child who has experienced harm and the child displaying the behaviour. It is preventable and may involve serious physical violence, threats, intimidation or the use of weapons.

Child on Child Abuse can happen both inside and outside of school including online. It is important that all staff recognise the indicators and signs of Child on Child abuse.

Staff should treat all reports of Child on Child abuse very seriously and make it clear that all forms are unacceptable. As with all forms of abuse the occurrence of child-on-child abuse is an infringement of a child's human rights. Abuse is abuse and will never be dismissed as

Federation of St John's and St Paul's Whitechapel CE Primary Schools

CHILD PROTECTION & SAFEGUARDING POLICY

'banter' or 'part of growing up'. School adopts a Zero Tolerance Approach to Child on Child abuse.

All staff should recognise that even though there are no reported cases of Child on Child abuse among pupils, such abuse may still be taking place and it is simply not being reported.

Staff should be aware that it is more likely that boys will be perpetrators of Child on Child abuse and girls will be victims of Child on Child abuse. However, all forms of Child on Child abuse are unacceptable and will not be tolerated at the school.

Staff should recognise that Child on Child abuse can take many forms and may be facilitated by technology, including:

- bullying (including cyberbullying, prejudice-based and discriminatory bullying)
- physical abuse such as biting, hitting, kicking or hair pulling, or otherwise causing physical harm,
- physical assault and harm, or the threat of harm with a weapon,
- harmful sexual behaviour, sexual violence and sexual harassment including misogyny/misandry,
- causing someone to engage in sexual activity without consent, such as forcing someone to strip, touch themselves sexually, or to engage in sexual activity with a third party
- consensual and non-consensual making or sharing of nudes and semi-nudes images and/or videos including those generated using AI,
- teenage relationship abuse – where there is a pattern of actual or threatened acts of physical, sexual or emotional abuse, perpetrated against a current or former partner
- upskirting – taking a picture under a person's clothing without their knowledge and/or permission with the intention of viewing their buttocks or genitals (with or without underwear) to obtain sexual gratification or cause the victim humiliation, distress, or alarm. It is a criminal offence.
- initiation/hazing - used to introduce newcomers into an organisation or group by subjecting them to a series of trials and challenges, which are potentially humiliating, embarrassing or abusive.
- prejudice and discrimination - behaviours which cause a person to feel powerless, worthless or excluded originating from prejudices around belonging, identity and equality, for example, prejudices linked to disabilities,

special educational needs, ethnic, cultural and religious backgrounds, gender and sexual identity. This includes behaviours driven by misogyny, misandry and other forms of prejudice, discrimination or hostility

Different gender issues can be prevalent when dealing with Child on Child abuse, for example girls being sexually touched/assaulted or boys being subject to initiation/hazing type violence.

Although a child identifying as LGBTQ+ is not in itself a safeguarding concern, such children may be more vulnerable to forms of child-on-child abuse. This includes children who are perceived to be LGBTQ+ even though they do not identify as such. The school is committed to providing a safe space for LGBTQ+ children to share any concerns they may have and in ensuring an inclusive culture is maintained.

The school recognises that some children may not identify with the terms 'victim' or 'perpetrator'; therefore, careful consideration will be given to the language used when discussing incidents and support arrangements with children and their families.

Staff will record any incidents of Child on Child abuse using CPOMS and inform the DSL.

The school has a strong commitment to an anti-bullying policy and will consider all coercive acts and Child on Child abuse within a Child Protection context. We recognise that some pupils will sometimes negatively affect the learning and wellbeing of other pupils and their behaviour will be dealt with under the school's behaviour policy. As a school, we will minimise the risk of allegations against other pupils by providing a developmentally appropriate PSHE syllabus which develops pupils' understanding of acceptable behaviour and keeping themselves safe, having systems in place for any pupil to raise concerns with staff, knowing that they will be listened to, believed and valued, delivering targeted work on assertiveness and keeping safe to those pupils identified as being at risk, developing robust risk assessments and providing targeted work for pupils identified as being a potential risk to other pupils. It is important that all our staff recognise the indicators and signs of Child on Child abuse and know how to identify it and respond to reports.

Any possible Child on Child abuse case will be shared with the DSL with a view to referring to appropriate agencies following the referral procedures. We also note the DfE's advice and guidance on Preventing and Tackling Bullying.

CHILD ON CHILD SEXUAL VIOLENCE AND SEXUAL HARASSMENT

Federation of St John's and St Paul's Whitechapel CE Primary Schools
CHILD PROTECTION & SAFEGUARDING POLICY

All staff must be aware that sexual violence and sexual harassment can occur between two children of any age and sex and it can happen in any environment including schools, the family home as part of intra-familial abuse and via online platforms. It can also occur when a group of children sexually assaulting or sexually harassing a single child or a group of children. The abuse may be perpetrated by a younger child towards an older child because of an imbalance of power caused by factors such as height difference or cognitive ability.

As part of school's wider safeguarding culture, staff should maintain a 'it could happen here' approach in regard to child on child sexual violence or sexual harassment and understand that children may be experiencing such forms of Child on Child abuse, including that facilitated by technology, regardless of the number of reports the DSL receives.

In response to reports including disclosures school will reassure all victims that they are being taken seriously and that they will be supported and kept safe. A victim will never be given the impression that they are creating a problem by reporting sexual violence or sexual harassment. Nor should a victim ever be made to feel ashamed for making a report. As part of the reassurance to children, it will be made clear to children that the law is in place to protect them from abuse rather than to criminalise them.

Staff should be aware that some groups are potentially more at risk. Evidence shows girls, children with special educational needs and disabilities (SEND) and LGBTQ+ children are at greater risk. Staff should be aware of the importance of:

- challenging inappropriate behaviours;
- making clear that sexual violence and sexual harassment is not acceptable, will never be tolerated and is not an inevitable part of growing up;
- not tolerating or dismissing sexual violence or sexual harassment as "banter", "part of growing up", "just having a laugh" or "boys being boys"; and
- challenging physical behaviours (potentially criminal in nature), such as grabbing bottoms, breasts and genitalia, pulling down trousers, flicking bras and lifting upskirts. Dismissing or tolerating such behaviours will help to normalise them.

Sexual violence offences are defined under the Sexual Offences Act 2003

Federation of St John's and St Paul's Whitechapel CE Primary Schools
CHILD PROTECTION & SAFEGUARDING POLICY

Rape: A person (A) commits an offence of rape if: he intentionally penetrates the vagina, anus or mouth of another person (B) with his penis, B does not consent to the penetration and A does not reasonably believe that B consents.

Assault by Penetration: A person (A) commits an offence if: s/he intentionally penetrates the vagina or anus of another person (B) with a part of her/his body or anything else, the penetration is sexual, B does not consent to the penetration and A does not reasonably believe that B consents.

Sexual Assault: A person (A) commits an offence of sexual assault if: s/he intentionally touches another person (B), the touching is sexual, B does not consent to the touching and A does not reasonably believe that B consents. (Schools should be aware that sexual assault covers a very wide range of behaviour so a single act of kissing someone without consent, or touching someone's bottom/breasts/genitalia without consent, can still constitute sexual assault.)

Causing someone to engage in sexual activity without consent: A person (A) commits an offence if: s/he intentionally causes another person (B) to engage in an activity, the activity is sexual, B does not consent to engaging in the activity, and A does not reasonably believe that B consents. (This could include forcing someone to strip, touch themselves sexually, or to engage in sexual activity with a third party.)

Consent is about having the freedom and capacity to choose. Consent to sexual activity may be given to one sort of sexual activity but not another, e.g. to vaginal but not anal sex or penetration with conditions, such as wearing a condom. Consent can be withdrawn at any time during sexual activity and each time activity occurs.

All Staff need to be aware of the following:

- children under the age of 13 can never consent to any sexual activity;
- the age of consent is 16
- sexual intercourse without consent is rape.

Where a report of rape, assault by penetration or sexual assault is made, this will be referred to the police. Whilst the age of criminal responsibility is ten, if the alleged perpetrator is under ten, the starting principle of referring to the police remains. In parallel to this the school will make a referral to Children's Services via the Multi Agency Safeguarding Hub

Federation of St John's and St Paul's Whitechapel CE Primary Schools
CHILD PROTECTION & SAFEGUARDING POLICY

Sexual Harassment is 'unwanted conduct of a sexual nature' that can occur online and offline and both inside and outside of school. Sexual harassment is likely to: violate a child's dignity, and/or make them feel intimidated, degraded or humiliated and/or create a hostile, offensive or sexualised environment.

Sexual Harassment may include the following:

- sexual comments, such as: telling sexual stories, making lewd comments, making sexual remarks about clothes and appearance and calling someone sexualised names;
- sexual "jokes" or taunting;
- physical behaviour, such as: deliberately brushing against someone, interfering with someone's clothes (schools and colleges should be considering when any of this crosses a line into sexual violence - it is important to talk to and consider the experience of the victim) and displaying pictures, photos or drawings of a sexual nature; and online sexual harassment. This may be standalone, or part of a wider pattern of sexual harassment and/or sexual violence such as:
 - consensual and non-consensual sharing of nudes and semi-nudes images and/or videos.
 - sharing of unwanted explicit content;
 - upskirting
 - sexualised online bullying
 - unwanted sexual comments and messages, including, on social media
 - sexual exploitation, coercion and threats

On a case-by-case basis the school will liaise with Children's Services and the Police as well as specialist services as part of the immediate response to child-on-child sexual harassment and the ongoing support for all the children involved.

Harmful Sexual Behaviours

Children's sexual behaviour exists on a wide continuum, ranging from normal and developmentally expected to inappropriate, problematic, abusive and violent. School

Federation of St John's and St Paul's Whitechapel CE Primary Schools

CHILD PROTECTION & SAFEGUARDING POLICY

recognises that Harmful Sexual Behaviours can, in some cases, progress on a continuum. It is therefore important for all staff to address inappropriate behaviours to help prevent problematic, abusive and/or violent behaviour in the future. Children displaying harmful sexual behaviours have often experienced their own abuse and trauma.

School takes seriously its duty to respond appropriately to all reports and concerns about children's sexual behaviours both online and offline, in and outside of the school, including reports of sexual violence and/or sexual harassment. The DSL has completed relevant training in responding to and managing harmful sexual behaviours and will draw upon appropriate resources such as the AIM Checklists and Assessment Tools. The DSL will liaise where appropriate with Children's Services, the Police and other specialist services.

Staff will act immediately to concerns regarding a child rather than wait to be told. Where necessary, we will work with relevant external agencies to address the issue, which may include a referral to MASH and reporting to the Police. Further information is available in 'Part 5: Child on child sexual violence and sexual harassment' of DfE guidance. Please see link below.

<https://www.gov.uk/government/publications/working-together-to-safeguard-children--2>

To support its overall prevention of and response to harmful sexual behaviours the school will give consideration to the best practice resources such as that available through the Contextual Safeguarding Program in particular the Beyond Referrals Toolkit: Harmful Sexual Behaviours

Youth Produced Sexual Imagery

Youth Produced Sexual Imagery is one of the terms professionals use to describe the sending or posting of nude or semi-nude images, videos or live streams by children and young people under the age of 18 online. The term 'nudes' is used by young people and covers all types of image sharing incidents. Alternative terms used by children include 'dick pics' or 'pics'.

The sharing of nudes and semi-nudes can happen publicly online, in 1:1 messaging or via group chats and closed social media accounts. It could also involve sharing between devices via services like Apple's AirDrop which works offline. Nude or semi-nude images, videos or live streams may include more than one child or young person.

Incidents may also occur where:

Federation of St John's and St Paul's Whitechapel CE Primary Schools

CHILD PROTECTION & SAFEGUARDING POLICY

- children and young people find nudes and semi-nudes online and share them claiming to be from a peer
- children and young people digitally manipulate an image of a young person into an existing nude online
- images created or shared are used to abuse peers e.g. by selling images online or obtaining images to share more widely without consent to publicly shame. Such images can be shared via web pages and social media accounts called 'Bait Out' pages/accounts.

Creating and sharing nudes and semi-nudes of under-18s (including those created and shared with consent) is illegal.

Nude and semi-nude images may also be digitally altered or wholly generated through artificial intelligence technologies, including so-called 'deepfake' or 'deep nude' images. Such images should be treated as safeguarding concerns and responded to in accordance with KCSIE 2026 and relevant UKCIS guidance.

When handling reports of Youth Produced Sexual Imagery, **staff must be aware that it is illegal for staff to view or share such imagery**. Staff should immediately inform the Designated Safeguarding Lead who will act in accordance with [KCSIE 2026](#) and non-statutory guidance, [Sharing Nudes and Semi-Nudes. Advice for Education Settings working with Children and Young People](#) (Updated March 2024).

BULLYING (INCLUDING CYBERBULLYING)

Bullying is a very serious issue that can cause anxiety and distress. All incidences of bullying, including cyber-bullying and prejudice-based bullying should be reported and will be managed through the school's Anti-Bullying Policy/Pupil Behaviour Policy/Child-on-child abuse Policy, in accordance with [Keeping Children Safe in Education 2026](#) and Behaviour in Schools. Advice for Head teacher and School Staff (September 2022).

Please refer to the Anti Bullying Policy and the Computing Policy.

HOMELESSNESS

Indicators that a family may be at risk of homelessness include household debt, rent arrears, domestic abuse and anti-social behaviour, as well as the family being asked to leave a property. The Homelessness Reduction Act 2017 places a new legal duty on English councils so that everyone who is homeless or at risk of homelessness will have access to meaningful

Federation of St John's and St Paul's Whitechapel CE Primary Schools
CHILD PROTECTION & SAFEGUARDING POLICY

help including an assessment of their needs and circumstances, the development of a personalised housing plan, and work to help them retain their accommodation or find a new place to live.

The DSL will raise concerns at the earliest opportunity about a family at risk of homelessness through the [Tower Hamlets Homeless and Housing Options service](#).

Being homeless or being at risk of becoming homeless presents a real risk to a child's welfare. However, it is also recognised in some cases 16 and 17 year olds could be living independently from their parents or guardians, for example through their exclusion from the family home, and will require a different level of intervention and support. Local authority children's social care will be the lead agency for these children and should be contacted in the first instance. For general enquiries about support for young people who might be at risk of or experiencing homelessness in the borough, please contact Tower Hamlets Housing Options: Host@towerhamlets.gov.uk

CHILDREN AND THE COURT SYSTEM

Children are sometimes required to give evidence in criminal courts, either for crimes committed against them or for crimes they have witnessed.

The DSL will ensure that the children concerned are supported and where appropriate make use of the guides provided by the HM Courts & Tribunals Service for [children 5-11-year olds](#) and [12-17 year olds](#).

Making child arrangements via the family courts following parental separation can be stressful and entrench conflict in families. This can be stressful for children too. Where appropriate parents can be signposted to the Department of Justice's [information toolkit](#) for families on making child arrangements which sets out each party's responsibility including the importance of putting the needs of the children first in the process.

Federation of St John's and St Paul's Whitechapel CE Primary Schools

CHILD PROTECTION & SAFEGUARDING POLICY

CHILDREN WITH FAMILY MEMBERS IN PRISON

An estimated 310,000 children every year have a parent in prison in England and Wales and 10,000 visits are made by children to our public prisons every week. These children are at risk of poor outcomes including poverty, stigma, isolation and poor mental health.

The DSL will draw upon the resources and guidance offered through [The National Information Centre on Children of Offenders](#) (NICCO) to support the children involved and mitigate negative consequences for those children.

PRIVATE FOSTERING

Private fostering occurs when a child under the age of 16 (under 18, if disabled) is provided with care and accommodation by a person who is not a parent, person with parental responsibility for them or a relative in their own home. A child is not privately fostered if the person caring for and accommodating them has done so for less than 28 days and does not intend to do so for longer.

Staff should be vigilant about children who are in private fostering arrangements and report concerns to the DSL, who will notify the Local Authority through a MAST Request for Support Form, as set out in the [THSCP Multi-Agency Private Fostering Guidance](#) (January 2022). The Local Authority will check the arrangement is suitable and safe for the child in accordance with the [Private Fostering statutory guidance](#)

YOUNG CARERS

A young carer is a person aged 18 or under who cares, unpaid, for a friend or family member. This can include, but is not limited to a person with:

- a long-term illness or condition
- a physical or learning disability
- a substance misuse problem
- a mental health problem

The support provided by a child can vary based on the condition of the person they are caring for, but typically young carers provide a combination of personal (such as helping to dress or bath them), practical (such as cooking, cleaning and shopping) and emotional care (such as talking through their concerns with them).

Federation of St John's and St Paul's Whitechapel CE Primary Schools

CHILD PROTECTION & SAFEGUARDING POLICY

It is estimated by the Children's Society that 1 in 5 children are young carers and many are hidden and unidentified.

No young carer or young adult carer should take on caring roles which are inappropriate, excessive, or which negatively impact their life opportunities, health or wellbeing.

The school is committed to raising awareness about young carers, among staff, pupils and parents/carers, so that young carers can be identified and receive the support they need. The school will utilise the Young Carers in Schools program resources provided by the Carers Trust and the Children's Society: <https://youngcarersinschools.com/> alongside the Tower Hamlets guidance for schools, '[Young Carers in School: A guide for education practitioners to identify and support young carers in schools](#)' and other resources available from [THESS's safeguarding resource webpage](#).

The DSL will take the lead for Young Carers at the school and ensure that there is a whole school approach to improving the outcomes for young carers.

When young carers are identified, the DSL or Deputy DSL will have a conversation with the child using if helpful the [Tower Hamlets Young Carers Identification Tool](#).

School recognises that in accordance with the Care Act 2014 and the Children and Families Act 2014 young carers have the right to an assessment by the Local Authority to identify needs and support and the person they are caring has the right to have a reassessment of their needs.

If the school thinks that the child or young person or a member of their family requires more support than the school alone can provide, the DSL/Deputy DSL should refer to the [Tower Hamlets Multi-Agency Support Team](#) (MAST), so that a Young Carers Assessment can be undertaken. This assessment can help to identify what additional support can be provided from other services including housing and adult social care. Schools should complete the [Tower Hamlets Young Carers Identification Form](#) and attach it to the MAST referral form that is sent.

CHILD ABDUCTION AND COMMUNITY SAFETY INCIDENTS

Child abduction is the unauthorised removal or retention of a child from a parent or anyone with legal responsibility for the child. Child abduction can be committed by parents or other family members; by people known but not related to the victim (such as neighbours, friends and acquaintances); and by strangers.

All incidents of Child Abduction should be reported immediately to the Police and Children's Social Care.

Federation of St John's and St Paul's Whitechapel CE Primary Schools
CHILD PROTECTION & SAFEGUARDING POLICY

Other community safety incidents in the vicinity of a school can raise concerns amongst staff, children and parents, for example, people loitering nearby or unknown adults engaging children in conversation. All incidents that occur during the school day should be immediately reported to the DSL, and steps taken to ensure the safety and well-being of the children involved.

MODERN SLAVERY

Modern slavery encompasses human trafficking and slavery, servitude and forced or compulsory labour. Exploitation can take many forms, including: sexual exploitation, forced labour, slavery, servitude, forced criminality and the removal of organs.

Child Sexual Exploitation may be committed by an individual or organised network. Victims may identify as belonging to the group exploiting them and may not recognise themselves as victims.

Child Criminal Exploitation may constitute modern slavery. Children who have been criminally exploited may commit offences while under coercion and should be recognised primarily as victims.

Further information on the signs that someone may be a victim of modern slavery, the support available to victims and how to refer to the National Referral Mechanism is available in the [Modern Slavery Statutory Guidance](#).

The DSL will refer all potential child victims of modern slavery to the Local Authority via MAST.

43. TAKING SAFEGUARDING ACTION

Any child, in any family in any school could become a victim of abuse. Staff should always maintain an attitude of “it could happen here”. Key points for staff to remember are:

- in an emergency take the action necessary to help the child (including calling 999)
- report your concern as soon as possible to the DSL, no later than the end of the day. Urgent concerns must be reported immediately.
- do not start your own investigation
- share information on a need-to-know basis only – do not discuss the issue with colleagues, friends or family
- complete a record of concern via CPOMS. For urgent concerns please inform the DSL immediately.
- seek support for yourself if you are distressed.

EARLY HELP

All staff are trained and prepared to identify children who may benefit from Early Help, which is providing support as soon as a problem emerges at any point in a child's life. This can be support provided through school's internal pastoral system and resources and/or Local Authority services and other external agencies.

The Tower Hamlets Early Help Strategy recognises the important role schools have in identifying children and families who are at risk of poor outcomes without early intervention.

All staff need to recognise that all children may benefit from Early Help at any point in their childhood, but some children may benefit from Early Help more than others. These are children with known vulnerabilities, which are listed on page 11 of this policy.

The school recognises that support may be provided through universal services, community-based early help services and targeted Family Help arrangements. The DSL will work with relevant partners to ensure children and families receive the right support at the right time.

Where needs cannot be met through universal or community-based support alone, the DSL may work with partner agencies to access Family Help services. The school will contribute information to assessments, planning and reviews and will continue to support the child throughout any Family Help intervention.

The school will offer support to families where it is appropriate. We have a School Home Support worker who offers pastoral support to parents and families. Early Help Assessments are put in place with the family working together with the school. Team Around the Child and Team Around the Family meetings are usually held within school. If the family or child continue to be of concern a referral is made to Children's Social Care

The DSL will contact the LBTH MAST for support and advice if required: 020 7364 5006 (Option 3) 020 7364 3444/5601/5606/5358/7796

Alternatively, the DSL will complete an Early Help Enquiry form which can be accessed via <https://bit.ly/2AA2WNy>

The DSL will apply the THSCP Levels of Need Guidance to decide what level of safeguarding response is required as part of the Early Help response. If in doubt about the level of need the DSL will telephone the LBTH Multi Agency Support Team (MAST) for a discussion.

If a child has been receiving Early Help support from the school and other agencies and there is no improvement in the child's outcomes, then the DSL must refer the child to Children's Social Care.

45. HANDLING THE REPORTING OR SHARING OF CONCERNS

When a child discloses that they have been or are being abused including exploitation and neglect, they may feel ashamed, especially if the abuse is sexual, and feel frightened lest their abuser finds out they have made a disclosure. The child may have been threatened, they may have lost all trust in adults; or may believe that they are to blame for the abuse. Sometimes the child may not understand that what is happening is abusive.

All staff should reassure victims that they are being taken seriously and that they will be supported and kept safe. A victim should never be given the impression that they are creating a problem by reporting abuse, sexual violence or sexual harassment. Nor should a victim ever be made to feel ashamed for making a report.

Staff should never promise a child that they will not tell anyone about a report of abuse, as this may ultimately not be in the best interests of the child. During their conversations with the pupils, staff will:

- allow the child to speak freely
- remain calm
- allow silences
- do not ask leading questions
- tell the pupil what will happen next

Federation of St John's and St Paul's Whitechapel CE Primary Schools
CHILD PROTECTION & SAFEGUARDING POLICY

- inform the DSL as soon as possible
- seek support if they feel distressed.

The school will notify parents when a disclosure has been made unless it is believed that child may be at further risk in doing so.

CONFIDENTIALITY AND SHARING INFORMATION

Staff should never assume a colleague or another professional will take safeguarding action through the sharing of information that might be critical in keeping children safe. Staff should be mindful that early information sharing is vital for effective identification, assessment and allocation of appropriate service provision. Serious Case Reviews have highlighted failures in safeguarding systems in which people did not share information at the earliest opportunity or did not share at all. If in any doubt about sharing information, staff should speak to their Designated Safeguarding Lead or a deputy.

All staff should understand that safeguarding requires a high level of confidentiality. Staff should only discuss concerns with the DSL, Deputy DSL or the headteacher.

Any member of staff can contact children's social care if they are concerned about a child but should inform the DSL as soon as possible that they have done so.

Staff will have due regard to the Data protection legislation including the Data Protection Act 2018, UK GDPR and the Data (Use and Access) Act 2025 to ensure that personal information is processed fairly and lawfully and they will adhere to the seven golden rules for sharing information. Information sharing will take place in a timely and secure manner.

Fears about sharing information must not be allowed to stand in the way of the need to promote the welfare and protect the safety of children. Staff should recognise that timely and proportionate information sharing supports effective safeguarding practice and must not be delayed through concerns about data protection legislation where there is a safeguarding need.

The GDPR and the Data Protection Act 2018 do not prevent school staff from sharing information with relevant agencies, as safeguarding and protecting children provide a legal basis for sharing information.

The GDPR and the Data Protection Act 2018 do not prevent school staff from sharing information with relevant agencies, as safeguarding and protecting children provide a legal basis for sharing information.

Information sharing decisions will be recorded, whether or not the decision to share has been taken. Child protection information will be stored securely separate from the pupil's school file. Child protection information is stored and handled in line with the school's Retention and Destruction Policy. Where safeguarding information is stored electronically and online, the school has cybersecurity measures in place, which meets the Department for Education's [Cybersecurity Standards](#), to ensure the data is safe and not vulnerable to evolving cyber-crime.

47. REFERRING TO CHILDREN'S SOCIAL CARE

The DSL will make a referral to Children's Social Care applying the THSCP Levels of Need Guidance if it is believed that a pupil is suffering or is at risk of suffering significant harm, or the child is considered to be in need, that is a child who is unlikely to achieve or maintain a reasonable level of health or development, or whose health and development is likely to be significantly or further impaired, without the provision of services.

The DSL will contact CPAL/MAST in the first instance to seek advice and guidance. When the DSL completes a MAST Request for Support form and sends it securely to the Multi-Agency Support Team, the referral form will be accurate and sufficiently detailed to enable the MAST to make a decision on the level of response required in accordance with the THSCP Levels of Need Guidance.

If the child is already known to Children's Social Care, then the DSL will communicate safeguarding concerns to the allocated Social Worker.

1. ESCALATION PROCEDURES

If, after a referral to Children's Social Care, the child's situation does not appear to be improving, the DSL will consider following local escalation procedures to ensure their concerns have been addressed and that the child's situation improves.

In accordance with the [THSCP Multi-Agency Escalation and Resolution Policy](#) the DSL will first make contact in writing with the team manager followed by the service manager followed by the divisional director. At every level of escalation there should be discussion and concerted effort to resolve any professional difference. It is important that the DSL at each point of escalation puts the concerns in writing.
