Science 'Treasure Island'

To identify what humans and animals need to survive.

Music

To maintain a simple rhythm on the Djembe drum and develop confidence when performing independently and in a group.

Parents

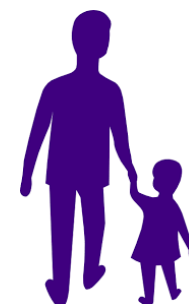

How Can You Help?

Reading Homework: Children need to bring their book bag into school **every** day. Please support your child to read their reading book each night - 5 minutes a day will soon make a huge difference!

Library: Library is every Wednesday, please remember to bring back books.

Homework: Year 1 will get homework on Fridays. It should only take 10 minutes and they may need your support to do it. Please return homework books by Wednesdays.

Please spend time counting to **100** forwards and backwards! Skip counting in 2's, 5's and 10's!

- o To identify and name a variety of plants.
- o To identify and name a variety of animals including fish, amphibians, reptiles, birds and mammals.
- o To describe and compare the structure of a fish with humans and some other animals.
- o To describe the simple physical properties of a variety of everyday materials.
