Maths - Place Value / Addition and Subtraction

Count forwards and backwards, read and write numbers to 100 in numerals and words
Represent tens and ones as a part-whole model
Compare and order numbers
Learn addition and subtraction bonds to 20
Add and subtract 1s
Find 10 more and 10 less

Our Topic this half term is 'Toys'

- Be able to discuss our favourite toys and how they work
- Compare different features of toys
- Look at the difference between old and new toys
- Plan and create our own toy

Science - Who am I?

- To identify, name, draw and label the basic parts of the human body
- To say which part of the body is associated with each sense
- To observe things using simple equipment
- To identify and sort different things
- To collect and record data to help answer questions

Computing

We will be exploring Purple Mash and learning about Coding

- To log in safely and become familiar with the icons and types of resources available in the Purple Mash
- To understand what an algorithm is
- To create a computer program using an algorithm
- To know what debugging means and debug simple programs

English

We will be reading the books: **The Gingerbread Man** and **The True Story of the 3 Little Pigs**

We will:

- Follow and write instructions
- Sequence events from a story.
- Use adjectives to improve sentences
- Use sentences with different forms: statement, question, exclamation, command
- Use co-ordination (using or, and, or but)

PSHE - Being Me in My World

Children will be able to:
Consider differences between themselves and others and see how they are unique
Learn about healthy snacks

Religious Education

To learn about the key events of the Christian Calendar
To re-tell the Christian Creation story and explore how Christians behave towards nature and the environment.
Consider how we can take care of the world.

Physical Education -

PE will be on Wednesday and Friday

Our topic: Run, Jump and Throw
Children will investigate movement and stillness and use the hall space safely; complete gymnastic actions on the floor and on the apparatus safely and with consideration for our classmates.

Music- African Drumming

Children will be working alongside a specialist teacher to learn African Drumming. Children will be able to play to the rhythm of a piece of music and learn to follow the beat.

Parents

How Can You Help?

Reading: Children are expected to read every night and bring their book into school every day.

Maths: Download the 1 minute Maths App: <https://whiterosemaths.com/1-minute-maths>

Homework: Children will receive homework for Maths and English every Friday. Please allow time to talk to your child about their learning and encourage them to do their best.
