say what happens when light is reflected

make sense of some observations

describe how shadows are formed

design and carry out a fair test

find out how mirrors have been made

make a simple mirror

list some uses of mirrors.

Parents

How Can You Help?

Maths: Please help your child to practise their times tables. We should know the 2, 5 and 10 times tables by the end of year 2 and the 3, 4 and 8 times tables by the end of year 3!

Reading: Children are expected to read every night. Supplementary reading is always advised.

Homework: Children will receive homework for English/Maths every Friday, and should return it school on the following Monday in order for it to be marked. Homework tasks are a direct follow on from that week's learning to allow for consolidation.

PE days: Monday- swimming and Tuesday PE.
