- Recognise the relationship between multiplication and division
- Use written methods to multiply 2 or 3 digit numbers by a 1 digit number.
- Answer word problems using multiplication and division

English

Kensuke's Kingdom by Michael Morpurgo

Outcomes: Children will be able to:

- Explore features of an adventure story.
- Empathise with characters, explaining their behaviour and feelings.
- Act out the roles of different characters in the novel.
- Discuss words and phrases that capture readers' interest and imagination.
- Use dialogue to advance the action.
- Write a diary entry in role.
- Write their own adventure story.

Topic Explorers and Adventurers

We will be focusing on **Geography and History**

In Geography we will be finding out:

- How to use geographical terms
- How to use different types of world maps
- How to look for geographical information

In History we will be finding out:

- About famous explorers and adventurers from the past
- How Earnest Shackleton survived his Antarctic voyages
- How to gather information from maps and sources of information

Science Living Things

- In this topic, the children will be learning how living things can be grouped in a variety of ways
- They will explore and use classification charts to identify and name a variety of living things
- They will also be looking at how changes to habitats can pose dangers to living things

Computing

We will be continuing to developing our computing skills in Purple Mash, designing and creating logos. We will also be discussing Online Safety and learning about hardware and software

Explorers and Adventurers

PHSE Celebrating Differences

To celebrate our differences and accept others and ourselves for who we are.
To solve issues regarding bullying by empathising with others

Outcomes: Children will learn:

- ✓ To be proud of their individuality
- ✓ How our words and actions can affect others
- ✓ What to do if we or someone we know is being bullied

French

Pupils will be learning how to talk about families.

R.E.

Christianity

Enquiry Question: Is the Christmas message of peace still relevant in today's world?
We are learning about the true meaning of Christmas and to consider the importance that Christmas has for Christians and people around the world

P.E.

Children will be learning to:

- Develop their hockey skills
- Develop tactics and team discipline in team-based invasion games
- Develop passing and movement into space

Music

Year 4 have singing lessons on Wednesdays with Mr Cook.

Parents

How Can You Help?

Reading: Children are expected to read for pleasure every day and have opportunities to select and borrow books throughout the week.

Homework: Children will receive online homework set on Purple Mash. This is to consolidate skills that they have recently been learning and practising at school.
